

420 ALCHEMIST Trichome Extractor

The 420 Alchemist Trichome Extractor turns your trim into profits. This solvent-free, food safe, dry-sift extraction system is designed to ensure you are getting the most out of your harvest. Industrial large scale design allows you to extract 15 - 25% of weight into kief.

QUAD PERFORMANCE

Four extra large stainless steel collection areas to maximize extraction.

ADJUSTABLE

Multiple screen micron sizes to fine tune your output.

LARGE BATCH

With a massive 10lb max capacity allowing you to create pure extracts at an impressive rate.

W 35"
L 33"
H 61"

Gentle

Our equipment is designed to never over process your flower.

Maximize

Convert 15-25% of processed trim to high quality fine tuned solvent-less kief.

Food Safe

Surgical grade stainless steel & food-safe HDPE allow for the purest extracts.

Details

- 8 Cubic Foot Capacity
- Adjustable Timer
- 4 - 180 Micron Dry Sift Screens
 - 80 & 135 Micron Available
- 4 - Collection Panels
- Collection Bin
- Built-In Shelf
- Food Grade Stainless Steel & HDPE
- Whisper Quiet Motor
- 206 lbs. Weight
- 110VAC, 60Hz (US)
 - 230VAC, 50Hz (Int.)
